Dear Parent, Guardian and/or Participants,

The Men and Young Men Alliance of Eastern Canada (Church of God of Prophecy National Men's Ministry) has three guiding focuses and one of them is to ally with boys and young men. Our mandate is not only to grow our population of men, but to lead our boys and young men towards manhood and Biblical masculinity. This will be accomplished through engaging the men to participate in Rites of Passages, Passport to Puberty, Ceremonies, Mentorship and Trips. We aim to foster strong connections and inspire leadership in our boys and young men.
