Dear Community Partner,

My name is Israel Harriott and I am the National Men's Director of the Church of God of Prophecy in Eastern Canada. This is an international organization; however we are located in Eastern Canada -primarily southern Ontario and Quebec- and consist of 31 churches. Our men and young men organization is called the ***Men and Young Men Alliance (MYMA)***. Our goals are to enhance and improve the lives of men and young men as we focus on mental health, motivation, relationships, as well as positive adult and youth engagement. Using the word of God as the foundation, we help men and young men to understand the inner work that must be done to advance to the next level of spirituality. By forming alliances and making connections, we can strengthen our homes and communities.

We continue in our endeavours as we have built connections with other organizations such as The Walnut Foundation, Movember Foundation, Big Brothers of Canada, Teen Challenge, Life Care Centre Counselling, and the Genesis Man Project.

As an organization we are multi-focused. We ally with boys, young men and mature men. We organize trips to enhance youth engagement and connection. We promote and provide opportunities for Mentorship, Ceremonies, and Rites of Passages. We focus on the health and mental health of men and young men. We do all this through the vehicles of Conferences, Field Trips, Health and well-being Presentations (live and in person), and our flagship event which is our ***National Men and Young Men's Retreat*** which will be held on ***Friday October 31*** to ***Sunday November 2***.

Our primary goal is to raise \$6000 to sponsor 20 young men between the ages of 15 - 19, to attend the COGOP's National Men and Young Men's Retreat (October 31 - November 2). This sponsorship will cover the cost of accommodations, meals, and conference fees. As community partners you can also help us to fund our programs of mentorship, ceremonies, rites of passages, and field trips. As well as improving the lives of men and creating opportunities for young men. Donating to our efforts will help to increase the visibility of your company to the men and women in our organization.

There are a variety of different donation levels.

Bronze Level Contribution

- For a donation of \$100 or more, your company's logo will appear on our flyers and communication.

Silver Level Contribution

- For a donation of \$250 or more, your company's logo will appear on our flyers and on the Genesis Man Project website.

We can become stronger through connections. Help us grow communities of men who are positive role models, and leaders who engage with youth and support boys and young men.

Sincerely,

Israel Harriott
